Space & Naval Warfare Systems Center Awards Contract

CHARLESTON, S.C. — MILCOM Systems Corporation of Virginia Beach, Va., is being awarded an Indefinite Delivery, Indefinite Quantity, Time and Material type contract in the estimated amount of \$12,952,192.94 (Base Period) to provide engineering, analytical, technical, and logistics services to support SSN/SSBN submarine communications, electronic warfare and navigation systems as required by the Submarine Communications Branch, Code 532 at SPAWAR System Center Charleston. The principal shore sites of contract performance are Charleston (61%), S.C., Pearl Harbor, Hawaii (23%) and San Diego (16%). Period of performance for the base period shall commence June 1, 1999 through May 31, 2000. This contract contains four one-year options, which, if exercised, will bring the total cumulative value of the contract to \$71,282,187 (total dollar amount including options). The contract will initially be obligated with OPN funds (expiring 9/30/99) in the amount of \$50,000. This contract was procured using full and open competition. Four offers were received. The Space and Naval Warfare Systems Center Charleston is the contracting activity (N65236-99-D-5709).
